PROFESSIONAL SUMMARY

UI Engineer with **4+ years of experience** building scalable, data-driven **single-page applications (SPAs)** for SaaS platforms using **React, Next.js, TypeScript, JavaScript (ES6+), and Tailwind CSS**. Experienced in **front-end architecture, component-based design systems, accessibility best practices (WCAG), and API-driven UIs**. Strong collaborator with UX, QA, product, and backend teams, delivering high-quality interfaces for **data-intensive and security-focused applications** in agile, remote environments.

CORE TECHNICAL SKILLS

Web Standards: HTML5, CSS3, JavaScript (ES6+), Responsive UI
Frameworks & Libraries: React, Next.js, Vue, TypeScript (experience transferable to Ember)
UI Architecture: Single Page Applications (SPA), Atomic Design, Component Libraries
Styling: Tailwind CSS, Bootstrap
Data & State: RESTful APIs, Axios, React Query
Testing: Unit and integration testing (Jest – working knowledge)
Accessibility: WCAG guidelines, keyboard navigation, semantic HTML
Tooling: Node.js, NPM, Git, GitHub, Vercel, Webpack (build familiarity)
Practices: Code reviews, Agile/Scrum, CI/CD awareness, remote collaboration

PROFESSIONAL EXPERIENCE

Frontend Developer / UI Engineer

Avenue Impact — Remote
March 2023 – Present

- Took ownership of **front-end delivery** for core product features, contributing to UI architecture and scalable SPA frameworks.
- Designed and maintained **data-driven dashboards**, landing pages, and admin interfaces using **React, Vue, TypeScript, and Tailwind CSS**.
- Built reusable UI components following **atomic design principles**, improving consistency and maintainability across the platform.
- Integrated **RESTful APIs** to support real-time data presentation and complex user workflows.
- Collaborated closely with **UX designers, QA engineers, backend/API engineers, and product managers** in an agile, remote environment.
- Participated in **code reviews**, bug fixing, and performance optimization to improve UI reliability and user experience.

Full-Stack JavaScript Developer
Kenttimo Limited — Lagos, Nigeria
July 2022 – February 2023

- Developed responsive **SPA interfaces** using **Vue.js** for a data-intensive property-tech SaaS platform.
- Integrated backend services through **REST APIs**, enabling secure transactions and dynamic UI updates.
- Collaborated with backend engineers to align UI behavior with business logic and cloud-hosted services.
- Improved UI responsiveness and cross-device compatibility for end users.

Frontend Developer
Kunle Gbade & Co — Nigeria
November 2024 – January 2025

- Built a modern, accessible web interface using **Next.js and TypeScript** for a professional legal services platform.
- Implemented responsive layouts and reusable components with focus on **usability and accessibility**.
- Worked in an **agile team**, participating in sprint planning and weekly stand-ups.

SELECTED PROJECTS (RELEVANT TO THIS ROLE)

AI Medical Voice Agent
React, Next.js, TypeScript, Tailwind CSS
https://ai-medical-voice-agent.vercel.app/

- Built a **data-intensive, real-time UI** supporting AI-powered medical consultations across multiple specialties.
- Designed responsive, accessible interfaces for complex workflows and live interactions.
- Integrated third-party APIs and authentication systems for secure access.

AI Text-to-Image Platform
React, Node.js, Express.js
https://text2image-three.vercel.app/
- Developed a **SPA** that processes high-volume user requests and displays generated results in real time.
- Implemented authentication, usage limits, and API-driven UI updates.

Social Media Web Application
React, Node.js, Express.js, MongoDB, Socket.io
https://social-media-apps-one.vercel.app/

- Built scalable UI components for feeds, messaging, and real-time interactions.
- Implemented **real-time data updates**, reinforcing experience with event-driven UIs.

EDUCATION

MSc – Computer Science
University of Lagos, Nigeria

BSc – Computer Science
Federal University Oye, Ekiti State, Nigeria

National Diploma – Statistics
Federal Polytechnic Offa, Nigeria
